

We welcome you as a member of the Waukesha County 4-H Horse Project.
We are very pleased to have you join one of the largest
and most active 4-H county horse projects in the entire state of Wisconsin.

This packet contains the 4-H horse project guidelines as well as all the forms you need to complete with deadlines in order to be able to show your horse at various county shows and/or Fair. For further information about rules and regulations for showing at Waukesha County Fair, please refer to their web site at www.waukeshacountyfair.com. In addition, there is a list of county-wide clinics that you are strongly encouraged to attend in order to learn more about horse care, safety, and showing your horse.

There are a large number of clinics for you to choose from that include beginner, advanced, & just for fun/nice to know information about horses. These clinics are offered in order to help you meet your required number to qualify for year-end awards and show at the State 4-H Horse Show. In addition, attending clinics is a great way for 4-H members & their parents to meet other 4-H horse project members, parents, leaders & get involved. The 4-H Horse Project can be a great way to make memories to last a lifetime!

All 4-H members, parents, and 4-H leaders are members of the Waukesha County 4-H Horse Association (WC4HHA). The purpose of the Association is to provide a working organization of volunteers to serve as a united body for the betterment of the 4-H Horsemanship project.

Your local 4-H club horse project leader serves as your first contact for questions or concerns. The WC4HHA Board of Directors will provide support for you and your local 4H Club Horse Project.

We wish you a very successful and enjoyable year and happy, safe riding.
